

Privacy Commitment

Ambryn Portfolio Solutions Private Limited

At Ambryn Portfolio Solutions Private Limited ("Ambryn," "we," "us," or "our"), we are committed to protecting the privacy and security of your personal information. This Privacy Commitment outlines our practices concerning the collection, use, and protection of your information in the course of our business activities as a Project Management Consultancy in the Construction, Infrastructure, and Real Estate Sector, particularly as we leverage artificial intelligence (AI) to revolutionize the construction industry.

- **Information We Collect**

In the course of providing innovative solutions and project management consultancy services, Ambryn may collect and process personal information, including but not limited to:

1. Contact details such as name, email address, and phone number.
2. Professional information, including job title, company details, and industry affiliations.
3. Project-related data and requirements.

- **How We Use Your Information**

We use the collected information for the following purposes:

1. **Project Management:** To effectively deliver our project management consultancy services.
2. **Communication:** To communicate with you regarding project updates, industry insights, and other relevant information.
3. **AI Integration:** To leverage artificial intelligence in streamlining processes and enhancing project efficiency.
4. **Marketing:** To provide you with information about our services, events, and industry-related updates.

- **Data Security**

Ambryn is dedicated to ensuring the security and confidentiality of your personal information. We implement robust security measures to protect against unauthorized access, disclosure, alteration, and destruction of your data.

- **Sharing Information**

We do not sell or share your personal information with third parties for their marketing purposes. Your information may be shared with trusted partners and service providers who assist us in delivering our services.

- **Your Choices**

You have the right to control the information you provide to us. You can update your communication preferences or request the removal of your information from our systems by contacting us at [\[info@ambryn.in\]](mailto:info@ambryn.in).

- **AI and Privacy**

Our AI applications are designed with privacy in mind. We adhere to ethical AI principles, ensuring transparency, accountability, and fairness in the use of artificial intelligence technologies.

- **Updates to the Privacy Commitment**

We may update this Privacy Commitment to reflect changes in our practices or applicable laws. We encourage you to review this document periodically for the latest information.

- **Contact Information**
